INDUSTRIEKALENDER

IndustrieKalendar (e.g. IndustryCalendar) is the online platform that comprehensively outlines all industrial events. This website features numerous events, such as trade fairs, congresses, symposiums, seminars, webinars, and lectures in the Netherlands, Belgium, and Germany.

The platform features a variety of events organized by event organizations, training institutes, product and service suppliers, manufacturers, publishers, and trade associations.

All events are also featured in the agenda of IndustrieVandaag, the independent platform providing the latest news on industry and technology.
